The Travel Town Tender is a publication of the Travel Town Museum Foundation, a d.b.a. of the American Southwestern Railway Association, Inc. The Association is a 501(c)(3) non-profit educational corporation, dedicated to the preservation and interpretive presentation of railroad history. In these challenging economic times, we are all looking for ways to save money, make money or use our money more wisely. If you shop at Vons, Pavilions, or Ralphs in the local Los Angeles Area, we are hoping that you will take two minutes to really make a difference for the trains at Travel Town.

If you shop at the above-mentioned stores, you probably use their “Club cards” in order to take advantage of savings. Good for you - now all you have to do is link your usage with our Foundation! They already have all your information on file, so you don’t need to feel squeamish about registering your card again. This really helps our foundation, but as with any team effort, everyone needs to participate to get the most benefit!

Last year, we earned over $250 in donations from our Travel Town friends’ support, so please register! Just follow these simple steps to link your grocery club card to the Travel Town Museum Foundation:

**From Chef Charles Knapton**

“If merely reading Charles Knapton’s recipes creates a feeling of anticipation, you can readily understand why eating a meal by such a chef means complete satisfaction.”

**English Beeflake Pie**

3 lbs. flank of beef ¼ lb carrots
1/8 lb butter ½ lb salt pork
½ lb onions ¼ pt. tomatoes
½ lb bacon 1 lb potatoes

Season with bay leaf, 4 cloves and small clove of garlic. Cut beef in one-half inch squares and salt pork and bacon in small dices. Put butter, salt pork and bacon with carrots, onions, cloves and garlic and place on range together and braise slowly for 20 minutes, then place the beef in same pan and shuffle around often to keep from burning, and when nearly done, sprinkle flour over contents to absorb moisture, pour hot soup stock or beef bouillon over same and cook 15 minutes, placing in fresh boiled potatoes, cut in small dices. Season with salt and pepper and place in individual bakers and cover with pie dough rolled thin. Place in quick oven and bake to a golden brown.

**From Chef Leo Atchison**

With Leo Atchison it is in the blood. His father - a famous chef before him - has imparted much of skill and savoir faire. The son is daily expressing these gifts in terms of delectable meals.

**Chicken Pie - Great Northern Style**

Cover 3 large fat hens with cold water, add 1 sliced onion, bunch of parsley and sprig of sage. Boil over slow fire until meat is about ready to fall from bones, separate meat from bones, cut up in fairly large pieces. Reduce stock by approximately one-third, then allow to cool off, skim fat off top and mix with 4 heaping teaspoonsfuls of flour, and 2 tablespoonsfuls of butter, this to be used as a binder, then add to the stock, while cold, yolks of 3 eggs well beaten, with half cup rich cream. Season to taste, then bring to a hot heat again, stirring continually, but do not boil, add the binder and strain thoroughly.

Fill chicken pie dish with layers of chicken, cold boiled potato, duchess shape, sprinkle over all 2 tablespoonfuls of diced, crisp bacon, rendered out in frying pan, with some of the rendering. Fill dish with roux, described above, and cover all with top crust of pie dough, rolled moderately thick. Bake in a hot, quick oven.

**Apple Pie**

Fine quality apples should not be boiled before making your pie - coarse apples should. Line pie plate with pie paste rolled thin, slice good apples. Use quarter-pound sugar to every 2 apples, juice of 1 lemon sprinkled over apples, and a slight dusting with powdered cinnamon. Wet edges and cover with paste rolled thin. Make cuts in top to allow steam to escape while baking and cook in a moderate oven on bottom of oven first, and finish on the shelf of oven.

**Greetings from Travel Town!**

Can you believe it’s November already - here come the Holidays! I hope you were able to join us for our annual Depot Day celebration at the Museum on October 18th. We had a wonderful turnout and the Southern California weather that day was spectacular! I want to offer a special note of thanks to our hardworking Foundation Staff and the many dedicated volunteers who helped make this a great event again this year. Joining us at Depot Day again this year were master woodcarver, Jackie Hadonot, displaying many of his beautiful locomotive carvings; Los Angeles Live Steamers, Bob Crone, with his handcrafted scale 4-4-0 steam locomotive; and our long, long time friends from Women in Railroading and their great traveling exhibit. I also want to thank Jess Godinzech and Andy Anderson who offered presentations from the Operation Lifesaver rail safety program throughout the day as well as the scouts from Girl Scout Troop 7251 of Glendale and from Ventura Crew 210 of Burbank for their outstanding participation and help in putting together this event. We were excited to welcome several new friends to our Depot Day festivities including Bill Barbe from The Disney Barn, Steve Dodge and associates from the Fairplex Garden Railroad Club of Pomona, Fabiola Vichuez from Mayor Villaraigosa’s Office and Captain Olson and his great crew of firefighters from Los Angeles City Fire Department Engine Company 76. We topped it all off with a morning a fun musical entertainment from The Conductors!

Of course, I want to extend a special note of thanks to Chanthell Nelson and all the other members of the Recreation & Parks staff for their continuous support and assistance! And a very special Thank You to Mr. Don Gustavson and the Travel Town Railroad for their generous donation to help make the whole Depot Day event possible. THANKS SO MUCH TO YOU ALL!

As I reflect on Depot Day, and all the time and work that goes into putting together an event like this, I am reminded of just how special Travel Town is and what a tremendous resource we have in its fine collection of railroad artifacts. Events like Depot Day offer us a brief opportunity to “pull out the stops” and temporarily showcase some of these fine resources. But wouldn’t it be great if we could do this kind of stuff every day? This is the sentiment that drives the Travel Town Museum Foundation forward in continually working to make Travel Town a better museum — working with the community towards attaining the big long-range goals of establishing a permanent Interpretive Center and an operating Demonstration Railroad. So I thank YOU, our many loyal Patron Members and dedicated Volunteers, for continuing to support and inspire Travel Town’s bright future!
